**TESTIMONIALS OF EXHIBITORS**

**Elena Golovina**  
Head of Marketing, Hettich Rus  
"Mebel is one of those events that are very important to us. We believe that there are always a lot of visitors no matter where the show takes place. The management is good. Of course, judging by our stand and the number of visitors we see, we are satisfied. I would like to wish Mebel to continue its active development and remain the same important event for furniture industry professionals from all over Russia."

**Vitaly Krivosheev**  
Director General, LIGA  
"This year we are participating in Mebel for the 11th time. I am once again convinced that this is a key event for the furniture industry and for every furniture manufacturer. The number of visitors and the interest in the show have proven to me that the success of Mebel does not depend on the venue. It has its own soul, its regular participants and, of course, the visitors who have come to the new venue this year and shown a really great interest in all the products, all the exhibits and all the participants."

**Aydin Aydin**  
Head of Marketing and Brand, BOYTEKS  
"We have been participating in Mebel for about 10 years. We always recommend our partners and peers to take part in it."

**Giacomo Cipriani**  
President, JAGO  
"This show is an important event for us, not only for presentation of new products, but also for meetings with all our loyal customers. I think I will definitely come back."
